Important Dates

Abstract Submission Due
**July
12
2025**

Final Program Release
**July
21
2025**

Themes

Data Processing:

Atmospheric Correction
BRDF Correction

Product Development and Validation:

Product Development
Validation Dataset, Methodology

GEO Integration:

GEO-GEO Network, Synergies
GEO-LEO Synergies

Applications:

Carbon and Water Cycles
Phenology, Crop, Urban, Fire

Organizing Committee Members

 Xiangzhong (Remi) Luo
(National Univ. of Singapore)

mail: xzluo.remi[at]nus.edu.sg

 Kazuhito Ichii (Chiba Univ.)

mail: ichii[at]cihba-u.jp
